# WELCOME...

to the Royal family of fine business machines.  
We sincerely hope you will enjoy the many benefits  
of being associated with a distinguished product  
name that has represented both quality and  
customer satisfaction since 1905.

This electronic cash register is designed to help your business function smoothly by providing efficient register operations and accurate management reports. Start-up is quick and easy, yet there are many options that can be added and revised so that you can customize your operations for optimum productivity. Here are just a few of the register's many valuable features:

- Heavy-duty thermal printer with journal and receipt printouts. Allows the printing of both letters and numbers on the receipt and journal tapes. Each department can be programmed with a 16 character description i.e., "Food", "Beverages", etc.
- Alpha display shows alpha descriptions in both program and register modes.
- Alpha keyboard cuts programming time in half! Program your own store name and commercial message - 9 lines by 24 characters each.
- 99 departments allow you to categorize merchandise to be sold. Each department can be programmed with a 16-character description.
- 1600 Price Look-Up (PLU) settings allow for fast, accurate entry of an item and records the number of items sold.
- 40 clerk numbers monitor sales of individual employees.
- Automatic tax computation available for 4 different tax rates, including add-on and VAT.
- Department-linked entry options that streamline and speed-up operation.
- Periodic management reports provide up-to-date sales analysis, including mid-day, end-of-day, weekly or monthly totals.
- Memory protection maintains financial records during power outage.
- Training mode available for new users.
