For your purchase of SHARP's ER-4700 electronic cash register. Before using, please read the instruction manual fully to gain an understanding of register functions and uses. The manual should be kept for ready reference.

IMPORTANT This cash register should be placed on a level and stable surface. As it is composed of precision parts, this register should not be put in a place that is exposed to high humidity, excessive dust, direct sunlight, rapid temperature change, excessively high and low temperature, heavy vibration or

Be sure to connect this register to the ordinary domestic supply (AC local voltage ± 10%, 50/60Hz). If connected to any other power source, the register may be damaged.

When cleaning, do not use volatile solutions or wet towels but only a dry and soft cloth.

Do not attempt to disassemble the machine. In the event of trouble, please contact your dealer for repairs.

Besten Dank

Wir danken Ihnen, daß Sie sich für SHARP's elektronische Kellnerkasse des Modelles ER-4700 entschieden haben. Lesen Sie bitte vor Inbetriebnahme der Maschine diese Bedienungsanleitung sorgfältig durch, und bewahren Sie diese nach dem Durchlesen an einem sicheren Platz auf.

VORSICHTSMASSREGELN

Wählen Sie einen geeigneten Platz und stellen Sie die Maschine auf einen stabilen, flachen Tisch. Da diese Registrierkasse Präzisionsbauteile enthält, sollten Sie Plätze vermeiden, die Feuchtigkeit, Staub, direkter Sonnenbestrahlung, plötzlichem Temepraturwechsel, extrem hober oder niedriger Temperatur oder starken Erschütterungen und Stößen

Die Kasse an eine normale Netzsteckdose (örtliche Netzspannung ±10%, 50/60 Hz) anschließen. Niemals eine andere

Stromquelle verwenden, weil sonst Störungen auftreten können. Zum Abwischen der Maschine ein trockenes, weiches Tuch benutzen. Niemals schnell verdunstende Lösungen oder

Zerlegen Sie niemals die Maschine. Setzen Sie sich bitte bei Betriebsstörungen mit Ihrem Fachhändler in Verbindung,

der erforderlichenfalls Wartungsarbeiten ausführt.
