Sharp UP-X300 front end instruction Manual

SHARP®

POS TERMINAL

MODEL

UP-X300

FRONT END INSTRUCTION MANUAL

INTRODUCTION

Thank you very much for your purchase of the SHARP POS Terminal Model UP-X300. This UP-X300 POS terminal operation manual explains the operation procedure of UP-X300 which is used as a terminal in the POS system.
Please read this manual carefully before operating your machine in order to gain full understanding. Please keep this manual for future reference. It will help you if you encounter any operational problems.

For handling the hardware, please read the SHARP POS Terminal Model UP-X300 HARDWARE manual.
Handling precautions, parts names and functions are included in the hardware manual.
