SPECIAL NOTE

TRADE USE OF THE RANGER 2100

This manual may occasionally make reference to Trade Use settings of the **2100**. Only properly marked Trade Certified versions of the **2100** can be used in **Legal for Trade** applications. Trade Certification is only available on **2100** units with software Versions 2.0 and above.

Some individual settings may not be legal for trade use. Please check regulations with the appropriate Weights and Measures authority.

This is a “Table of Contents preview” for quality assurance
