

MODEL 3110 OPERATOR'S MANUAL

The Weigh Bar® People

SCOPE OF THE MANUAL

This manual describes the features and operation of your WEIGH-TRONIX Model 3110 Weight Indicator. It should be used as a guide to help you develop the knowledge that you need to operate your indicator comfortably and confidently.

Your manual is divided into three major sections. The first describes your Model 3110's features and operating controls. The second is divided into a number of sub-sections each of which contains step-by-step instructions designed to lead you through the operations that your indicator can perform. The final section of this manual explains your Model 3110's diagnostic tests.
